Please visit [www.wbiworldconpro.com](http://www.wbiworldconpro.com) to view your paper after 6 April 2015. Please read the instructions there and then view or download your and/or other authors' papers. Please note that a number of authors have asked only for the abstract of their paper to be published in the proceedings or did not want their published at all in the proceedings. Those who have not yet paid for their registration, your paper will only be published in the proceedings once the payment has been made.

The proceedings will be there for a number of years which is visited by the readers from the globe. We remind the authors that we will upload the paper or abstract as per the option you have indicated in the registration form. Once your paper or abstract is uploaded, you cannot change it again in any form unless you pay US\$100 for any change.

- **Conference Proceedings- Hard copy (USB)**

Authors who have requested that they would like a hard copy of the proceedings in a USB need to speak with the conference secretariat and collect the USB at the registration desk by providing their name and country. Please note that if you have not indicated your preference for this or have ticked 'No' to this option on the registration form, then you will not be receiving a USB with the proceedings at the conference. We will not carry any spare USBs, however you can access the proceedings online as stated above.

- **Presentation Rooms**

On both days we will be using presentation room - **Republique**  
Presentation room is located in the Conference Center located on 1<sup>st</sup> floor of the Hotel.

- **What You Should Bring Along For Your Presentation**

#### **OPTIONAL:**

Please bring in 15-20 copies of your (printed) paper (power point slides or full paper) for distribution at your session to other participants (**this is optional**).

#### **MANDATORY:**

**Please print out at least 1 copy of your full paper and hand it to the chair of the session at the beginning of your presentation.**

If you do not provide a copy of the full paper to the session chair or the conference organisers, we will be unable to email you an evaluation report for your paper.

**Each author will have about 15 minutes for presentation and 5 minutes for questions and discussion. We suggest you to spend less time (not more than 5 minutes) on**

**introduction and literature review sections of your paper. Please focus and spend more time (the remaining 10 minutes) on your model, data, result analysis/findings and significance or implication of your research.**

Every room has LCD and laptop computer and please bring your pen-drive or USB stick for power-point presentation. However, we do not guarantee that they will work without any failure. Please do not embarrass us by asking for pen-drive as we do not prove this.

In the past, we have faced issues where authors have put their USB in their unaccompanied luggage which did not arrive with them or they have emailed the presentation to themselves. We **highly recommend** that you carry your USB with you at all times and not put it with your unaccompanied luggage and that you also do not just email the presentation to yourself. You should save your presentation on a USB stick as well.

**\*\*\*Please ensure that you save your presentation file both in 2003 and 2007/2010 versions incase the computers do not support the latest version.** If you have only a 2007 version and the laptops provides only 2003 office software, we will not take any responsibility for converting your presentation from 2007 to 2003.

**\*\*\*Please note that we do not offer any internet access in the presentation rooms. However, you may ask the hotel reception about the use of their business centre and or wifi access password (this may come at a cost to you).**

Unlike other conferences in the world, we provide written feedback on your paper in the form of Paper Evaluation Report (PER). This report will be sent to the authors via email within 2 – 3 months after the conference. Please do not contact us in between this time regarding these reports. However, if you do not receive them by this deadline, then contact us via email: [njahanwbi@gmail.com](mailto:njahanwbi@gmail.com)

Please note that even if you have paid to attend the conference but you do not present the paper at the conference, then you will not receive a PER for your paper. **Similarly, if you**

**collect your registration envelope pack but do not present your paper, the department in your university will be notified.**

For those of who have paid for publication of their papers in our journals, you will receive Editorial Review Report (ERR) within 5 months after the conference, in addition to the PER.

All accepted papers recommended by the reviewer (see your acceptance letter point number 2 to know the name of the journal) for a particular journal will be published provided that you have paid submission fee and complied to the review report, editorial comments, feedback at the conference and journal's guidelines. You are required to send us your revised full paper (after compliance to the PER and ERR and editorial observations, comments, if any, you received at the conference) within 2 months after we send you the ERR.

If your invitation and acceptance letter does not mention any journal name, it means that your paper was not accepted for any of our journals, However, if you improve your paper according to the feedback you receive at the conference and/or via review report, we can reconsider the paper for journal publication at that stage. Please note that it is not guaranteed that your paper will be selected for a journal even after the revisions.

If you have already paid publication fee, you **must indicate in red ink** the new or additional materials you have added or inserted in compliance to written feedback and/or comments at the time of revision. **We will endeavour, though not guaranteed, to publish your paper within six-nine months after the conference** if you comply fully to all requirements and requests. No reminder notice will be sent. **If you do not send your revised paper by the deadline** or if you **failed to comply in full to the review reports** within the due time set by us and do not comply to our any request for reorganising the paper as per journals' guidelines or fail to make the paper camera-ready or do not respond to our emails within 6 months after the conference, **your paper will not be published and no money or fee will be refunded.**
